Additional Instructions for mailing your package

- Ensure that there are no other tracking labels attached to your package. If you are shipping a non-hazardous item, completely remove or cover any hazardous materials markings.
- Affix the mailing label squarely onto the address side of the parcel, covering up any previous delivery address and barcode without overlapping any adjacent side.
- Take this package to a UPS location. To find your closest UPS location, visit the UPS [Drop Off Locator](#) or go to [www.ups.com](#).
- To ensure safe transportation, the battery must be returned inside the product.

Return Mailing Label

Cut this label and affix to the outside of the return package

Return Authorization Slip

Place this barcode and item description inside your return package (in case your mailing label gets damaged).
